

Being a Member

Introduction

- Vacanzah is a loyalty and reward system that seeks to provide value to customers for every dollar they spend. This has been achieved through the system where every purchase of a dollar the member does, they earn redeemable points, all they need to do is to present their membership cards or provide their member number.
- The points are redeemable by simply withdrawing within the system, and an e-voucher to your Mpesa will be created for one to simply make payments through the Mpesa till number.
- Points are also earned when members take videos and photos and share on their social media pages while tagging Vacanzah pages, they are rewarded with points for the likes they get for contributing towards marketing of the business partners.

Discover Amazing Deals
